

PID CERTIFIED

Certificate Number: PC-00118

PVEL Potential Induced Degradation Certification

PVEL ID: **G1-10-212**

Manufacturer: **Chint Solar (Zhejiang) Co., Ltd**

Module: **CHSM6610P**

Address: Chint Solar

1335 Bin An Rd. Binjiang District, Hangzhou

310053, P.R. China

The module above has met or exceeded the PID program criteria in the following system configuration(s):

Positive Grounded

Negative Grounded

Ungrounded

Program Criteria:

Modules degrade less than 5% in Pmax at STC after 100 hours

Modules degrade less than 10% in Pmax at STC after 600 hours

Testing Conditions:

Temperature: 85°C

Relative Humidity: 85%

Voltage: +1,000V and -1,000V
